When an application for a building certificate is made where the building was previously erected:					
a) where a development consent, complying development certificate or construction certificate was required for the erection of the building and no such consent or certificate was obtained					
b) where a penalty notice has been issued for an offence under s76(1) of the Act in relation to the erection of the building and the person to whom it was issued has paid the penalty required by the penalty notice in respect of the alleged offence (or if the person has not paid the penalty and has elected to have the matter dealt with by a court, enforcement action has been taken against the person under Division 4 or Part 4 of the Fines Act 1996)					
c) where order 2, 12, 13, 15, 18 or 19 in the table to section 121B of the Act has been given in relation to the building unless the order has been revoked on appeal					
d) where person has been found guilty of an offence under the Act in relation to the erection of the building					
e) where the court has made a finding that the building was erected in contravention of a provision of the Act					
Additional fee payable for the above in the total of the following amounts					
a) the amount of the maximum fee that would be payable if the application were an application for development consent, or a complying development certificate (if appropriate), authorising the erection or alteration of any part of the building to which the application relates that has been erected or altered in contravention of the Act in the period of 24 months immediately preceding the date of application					
b) the amount of the maximum fee that would be payable if the application were an application to Council for a construction certificate relating to the erection or alteration of any part of the building to which the application relates that has been erected or altered in contravention of the Act in the period of 24 months immediately preceding the date of the application. Private Works

Condition of Undertaking Works:

No works to be undertaken without written application and the authority and the authority of the General Manager.

2. Payment for works must be lodged on the quoted cost of the work, (works > \$10,000 – refer to condition 3) prior to the work being commenced, except where a written order is submitted by a public

3. Works > \$10,000 will not be commenced unless suitable payment/progress payment arrangements have been approved by the General Manager or Director of Corporate Services.

Statement of Rates for Private Works

Note Section 67 of the Local Government Act 1993 empowers council's to undertake works on private land. Council is required to fix an amount or rate for the carrying out of the works after considering the actual costs of performing the work and the current market rates relevant to such works. If the amount for which, or the rate at which, it propose to carry out the works is less than the amount or rate so fixed, the decision to carry out the works is made by resolution of the council at an open meeting before the work is carried out
