Policy Summary

This policy enables the reasonable and appropriate reimbursement of expenses and provision of facilities to Councillors to help them undertake their civic duties.

It ensures accountability and transparency and seeks to align Councillor expenses and facilities with community expectations. Councillors must not obtain private or political benefit from any expense or facility provided under this policy.

The policy has been prepared in accordance with the *Local Government Act 1993* (the Act) and *Local Government (General) Regulation 2005* (the Regulation) and complies with the Office of Local Government's *Guidelines for the Payment of Expenses and Provision of facilities to Mayors and Councillors in NSW* (the Guidelines).

The policy sets out the maximum amounts Council will pay for specific expenses and facilities. Expenses not explicitly addressed in this policy will not be paid or reimbursed. The main expenses and facilities are summarised in **Appendix III**. All monetary amounts are exclusive of GST.

Additional costs incurred by a Councillor in excess of these limits are considered a personal expense that is the responsibility of the Councillor.

Councillors must provide claims for reimbursement within three months of an expense being incurred. Claims made after this time cannot be approved.

Detailed reports on the provision of expenses and facilities to Councillors will be publicly tabled at a Council meeting every six months and published in full on Council's website.

These reports will include expenditure summarised by individual Councillor and as a total for all Councillors.

Part A – Introduction

1. Introduction

- 1.1. The provision of expenses and facilities enables Councillors to fulfil their civic duties as the elected representatives of Edward River Council.
- 1.2. The community is entitled to know the extent of expenses paid to Councillors, as well as the facilities provided.
- 1.3. The purpose of this policy is to clearly state the facilities and support that are available to Councillors to assist them in fulfilling their civic duties.
- 1.4. Council staff are empowered to question or refuse a request for payment from a Councillor when it does not accord with this policy.
- 1.5. Expenses and facilities provided by this policy are in addition to fees paid to Councillors. The minimum and maximum fees a Council may pay each Councillor are set by the Local Government Remuneration Tribunal as per Section 241 of the Act and reviewed annually. Council must adopt its annual fees within this set range.

2. Policy objectives

- 2.1. The objectives of this Policy are to:
