About this Report

Section 252 of the *Local Government Act 1993* requires all councils to adopt a policy concerning the payment of expenses incurred or to be incurred by, and the provision of facilities to, the Mayor, Deputy Mayor and Councillors in relation to discharging the functions of civic office.

Edward River Council (Council) adopted its current Councillor Expenses and Facilities Policy at its Ordinary Meeting held 14 December 2017. This policy enables the reasonable and appropriate reimbursement of expenses and provision of facilities to Councillors to help them undertake their civic duties. It ensures accountability and transparency and seeks to align Councillor expenses and facilities with community expectations.

Clause 15 of Council's Councillor Expenses and Facilities Policy provides:

- 15.1 *Council will report on the provision of expenses and facilities to councillors as required in the Local Government Act 1993 and Regulations.*
- 15.2 *Detailed reports on the provision of expenses and facilities to councillors will be publicly tabled at a council meeting every six months and published in full on council's website. These reports will include expenditure summarised by individual councillor and as a total for all councillors.*

Council's Councillor Expenses and Facilities Policy can be accessed from Council's website at www.edwardriver.nsw.gov.au.
