

Edward River Council's Rural Tree Planting Scheme allows rural landowners in the Edward River Local Government Area whose properties are larger than one (1) hectare in size to purchase subsidised indigenous plants.

The number of plants available per annum are:-

| | |
|---|--------------------|
| Properties One (1) hectare to Ten (10) hectares | 50 tube seedlings |
| Properties Ten (10) hectares to Five Hundred (500) hectares | 150 tube seedlings |
| Properties Five Hundred (500) hectares and over | 300 tube seedlings |

Orders must be accompanied by a rate notice. Ratepayers are capped at the above number of subsidised tube seedlings irrespective of the number of rate notices. **Please order a minimum of five (5) seedlings per species.**

Completed order forms must be returned to Edward River Council by Friday 18th September 2020. Late orders cannot be accepted. For further enquiries regarding Council's Rural Tree Planting Scheme, please contact our Customer Service team on (03) 5898 3000 or via email at council@edwardriver.nsw.gov.au.
