# PART 1

## WELCOME AND OVERVIEW

## Message from the Mayor

As we approach the final few months of the first term of the amalgamated Edward River Council, we reflect on what a tumultuous year we have had. From a global pandemic to the forced rates harmonisation program, Council and indeed our ratepayers have had a lot thrown at us.

Council's priorities were to provide as much assistance to our community as possible and we delivered this through a temporary rate freeze, community grants, deferred payments and ensuring Council advocated for as many capital works programs as possible to ensure we could create jobs within our region.

A key project, revitalising the Deniliquin Central Business District has been completed and work has commenced on the renovation of the Town Hall and Estates Building including construction and landscaping of a new Civic Plaza.

We have taken positive steps forward in the development of a Senior's Living Precinct, offered financial assistance to our rural villages through a paint and signage upgrade program; begun installation of new streetlighting in Deniliquin and the villages and completed many kilometres of upgrades on roads, kerb and guttering and footpaths.

In recent years the Edward River community and the region have benefited from unprecedented funding through the Australian Government's Drought Communities and the Murray Darling Basin Regional Economic Diversification Programs and the New South Wales Government's Stronger Communities and Stronger Country Communities Funds. In addition, we have seen upgrades to State, regional and local roads through both State and

Federal funding. Many of the projects funded under these programs have now been completed.

As we turn towards the next financial year and beyond, our priorities are to improve infrastructure in the rural areas, particularly our roads. We are working towards improving service delivery, especially in Conargo, Wanganella, Boorooban, Pretty Pine and Mayrung areas.

On behalf of my fellow Councillors I must thank the General Manager, Director of Infrastructure, Director Corporate Services and staff for their drive and enthusiasm in delivering our large works program and in maintaining and improving the many services the Council provides.

I appreciate the efforts and support from Councillors and the contribution from so many individuals and groups in the community to make Edward River a better place to live, work and play.

### **Cr. Norm Brennan, Mayor**

## Message from the General Manager

It is my pleasure to present the Operational Plan and Budget on behalf of Edward River Council. These important documents are more than statements of intent, they are a plan for the future of Edward River Council residents and reflect the direction and commitment of the Council based on continuous consultation with ratepayers.

It has been an incredibly challenging 12 months for us all and I am proud of the Councillors and staff who have worked tirelessly to ensure Edward River Council did what we could to assist in these times.

From freezing rate rises to extending credit, reducing fees and advocating on behalf of residents and businesses most affected by Covid-19 border closures and capacity limits.

Essential governance and financial policies are in place including the adopted Financial Sustainability Principles Policy which aims at achieving an annual General Fund operating surplus of 2% to 5% and a regular review of services and assets to ensure they are appropriate, relevant and are being provided cost effectively.

As a newly merged Council, we have been the recipient of generous funding support from the NSW State Government which has enabled Edward River Council to plan, undertake and complete many projects that would otherwise be on a 'wish list'. To see such projects as the Napier and Cressy Streets revitalisation and the Waring Gardens upgrades completed in my first few months here has been truly rewarding. It gave me great confidence as not only the new general manager but also a new resident to Edward River in the commitment, dedication and experience of our Councillors and staff.

The year ahead will see us implement the mandatory rates harmonisation program and again I have been pleased to see how much effort our staff and Councillors put in to ensuring the fairest outcome for our residents.

We are also committed to cutting red tape and costs in order to further encourage investment in Edward River. From holding regular strategy meetings with developers and real estate agents to planning our own major investments including the long-awaited Seniors Living Precinct.

2021/22 will be a huge year for us at Edward River Council. Our priorities are to work for the community, to advocate for priority projects and to support our residents in any way we can. It is also an election year and I look forward to and encourage residents considering running for Council to contact me for any information.

Thank you and I welcome your feedback on the Operational Plan, Long Term Financial Plan or any other Council-related issue.

### Phil Stone, General Manager

# OUR VISION

Through the development of Edward River Council's Community Strategic Plan, *Edward River 2030*, a community vision was developed for the Edward River region. This combined Delivery Program 2018-2022 and Operational Plan 2021-2022 outlines the activities and actions that Council will undertake to realise this vision.

***We are the center of the Southern Riverina. Home to a connected and engaged community, driven by a diverse economy. We work together to lead our community, achieve our potential and embrace our future.***

# OUR COUNCILLORS

Edward River Council's governing body comprises nine elected Councillors.

The most recent Local Government elections were held on 9 September 2017. The next Local Government elections will be held 04 September 2021.

The Council elected Cr Norm Brennan as mayor and Cr Pat Fogarty as deputy mayor at its Ordinary Meeting in September 2017. Both Cr Brennan and Cr Fogarty were elected to their respective positions for a two-year term until September 2019 and re-elected to these positions in September 2019 for a further one year term. This was subsequently extended to a two year term in June 2020 due to the postponement of the local government elections in 2020 because of the COVID-19 pandemic.

The Local Government Act 1993 outlines the role and responsibilities of Councillors. In addition to having responsibilities as a Councillor, the mayor has additional legislative responsibilities.

The Councillors, as the governing body of Council, are responsible for developing and endorsing the combined Delivery Program and Operational Plan and reviewing Council's performance in delivering on the activities and actions included in the combined Delivery Program and Operational Plan.

Cr Norm Brennan  
Mayor

Cr Pat Fogarty  
Deputy Mayor

Cr Peta Betts

Cr Marg Bull

Cr Ashley Hall

Cr Norm McCallister

Cr Peter McCrabb

Cr Nick Metcalfe

Cr Mac Wallace

# INTEGRATED PLANNING AND REPORTING

Integrated Planning and Reporting (IP&R) legislation introduced by the NSW Government sets clear requirements for all local governments to lead the development of long-term plans for their communities.

Driven by community engagement, the IP&R framework ensures that local planning and reporting is informed, relevant and responsive to community needs.

### Community Strategic Plan

The Community Strategic Plan is the highest-level plan that Council prepares. Its purpose is to identify our community's main priorities and aspirations for the future and to plan strategies for achieving these goals. In doing this, the planning process considers the issues and pressures that may impact the community and the level of resources that will realistically be available to achieve its aspirations.

Council's current 10-year Community Strategic Plan, *Edward River 2030*, was adopted in June 2018.

Informed by extensive community and stakeholder consultation, *Edward River 2030* seeks to answer four key questions:

- Where are we now?
- Where do we want to be in 10 years' time?
- How will we get there?
- How will we know when we have arrived?

At an operational level, *Edward River 2030* is implemented through Council's combined Delivery Program and Operational Plan, which outlines the activities and actions Council undertakes to achieve our shared vision.

## Resourcing Strategy

*Edward River 2030* provides a vehicle for expressing our community's long-term aspirations. However, the vision set out in *Edward River 2030* will not be achieved without sufficient resources – time, money, assets and people – to carry them out.

The Resourcing Strategy comprises the following components:

- **Asset Management Planning:** Council's asset management planning is supported by an Asset Management Policy, Asset Management Strategy and individual Asset Management Plans for all assets under Council's control. Considering 'whole of life' asset management from planning, purchase, operation and maintenance to disposal of assets; the Asset Management Strategy forecasts community requirements and the capacity to meet them on a short-, medium-, and long-term basis.
- **Long-Term Financial Planning:** The Long-Term Financial Plan (LTFFP) tests community aspirations as contained in the Community Strategic Plan against the financial realities of delivering on those aspirations. The LTFFP integrates with *Edward River 2030* through the combined Delivery Program and Operational Plan.
- **Workforce Management Planning:** The Workforce Management Plan addresses the human resourcing requirements of the Community Strategic Plan, including what people, skills, experience and expertise are required to achieve its strategic objectives.

## Delivery Program (this document)

The Delivery Program outlines how Council will contribute to achieving the vision set out in the Community Strategic Plan and turns the strategic objectives contained in *Edward River 2030* into actions. All plans, projects, activities and funding allocations made by Council must be directly linked to the Delivery Program.

## Operational Plan and Budget (this document)

Supporting the Delivery Program is an annual Operational Plan. Adopted by Council each year alongside its annual Budget, the Operational Plan identifies the plans, projects and activities that will be carried out over the financial year covered by the Operational Plan to achieve the commitments made in the Delivery Program.

# REPORTING OUR PROGRESS

Reporting is a key element of the IP&R framework. Council uses a variety of tools to report back to our community about our progress in achieving the Community Strategic Plan and the combined Delivery Program and Operational Plan, as well as our financial performance against the annual and longer term budgets:

## Annual Report

---

Within five months of the end of financial year, Council prepares the Annual Report, which includes a copy of the organisation's audited financial reports. The Annual Report details Council's progress in implementing the combined Delivery Program and Operational Plan, and includes certain information that is prescribed by the Local Government (General) Regulation 2005 and *Government Information (Public Access) Act 2009*.

## End of Term Report

---

Tabled at the last meeting of the outgoing Council, the End of Term Report provides an update on Council's progress in implementing the Community Strategic Plan over the term of the Council, as well as the results and outcomes the implementation of the Community Strategic Plan has had for the Edward River community.

## State of the Environment Report

---

A comprehensive State of the Environment Report is required to be included as part of the End of Term Report. This report details how Council has met the environmental objectives in the Community Strategic Plan.

## Delivery Program and Operational Plan Progress Reports

---

Each quarter, Council prepares a report detailing its progress in achieving the principal activities and supporting actions detailed in its combined Delivery Program and Operational Plan.

## Budget Review Statement

---

Within two months of the end of each quarter, Council prepares a Quarterly Budget Review Statement which provides the community with information relating to Council's financial performance and details any proposed amendments to the annual Budget and forward estimates.

# YOUR RATES

Rates and charges provide Edward River Council with a major source of revenue which is used to meet the costs of providing services to businesses and residents of the Edward River local government area.

Each year, the New South Wales Independent Pricing and Regulatory Tribunal (IPART) determines the allowable annual increase in general income for NSW councils, known as the rate peg. The rate peg for the 2021-22 Rate year is 2.0 per cent.

Rates are calculated based on the NSW Valuer General's assessment of the unimproved capital value of the land and Council's 2021/22 rate is based on the Valuer General's July 2019 land valuations.

## What are rates?

Council Rates are fees levied on the land value for each rateable property in the Council area. Land values are determined by the NSW Valuer General and in accordance with the *Local Government Act 1993*. The funds generated each year from Council rates and charges are used to provide essential local government services within the area.

## What is the ad valorem?

The ad valorem is the rate in the dollar applied to the value of the land (i.e. multiply the land valuation by the rate in the dollar). If using ad valorem only to calculate rates, properties with very low land values would pay comparatively low rates. Under the *Local Government Act 1993*, there are only two additional systems for imposing rates: a minimum rates system and a base rates system.

## What is the difference between the minimum rates system and the base rates system?

Councils can rate on just the ad valorem otherwise they can choose between using:

1. A "minimum rates" system – Under this system a council compares the calculation of the ad valorem to the minimum rate it sets and charges the greater of the two. This is so that those with the lowest values do not end up paying very small amounts compared to others.
2. A "base rates" system – Under this system a council may impose a "base" amount that is the same dollar value for everyone in a certain category or sub-category, but they must then add an additional rate per dollar of land value. In this system, the total rates raised by the council from the "base" component cannot exceed 50 per cent of the total rates raised in that category or sub-category.

Rates applied under either system may vary per dollar of land value depending on the category of land. There are four categories of land to which rates can be applied: residential, business, farmland and mining. Generally, councils apply lower rates per dollar of land value for residential land than they do for land occupied by businesses.

While both systems are based on the concept of imposing rates fairly, they can in practice have quite different effects.

Under both systems the total increase in the yield of rates that may be raised by a council is capped each year by the NSW Government to around Consumer Price Index (CPI) but a lot of considerations go towards the rate peg percentage.

### **Which rating system does Edward River Council use?**

The restraint placed on merged councils under the amalgamation proclamation which meant that Council was restricted from consolidating rating calculations or re-categorising until 30 June 2021. As of 1 July 2021, the rates between the two former councils of Deniliquin Council and Conargo Shire Council will be merged (harmonised). This means that Council's current different rating systems depending on the location of the property will now be a more cohesive rating system, this will include using different classifications, base rates and minimum rates. Details of the rating system are in the Statement of Revenue section of this document.

### **How can changes in land value affect your rates?**

Councils must set rates based on the land value for each rateable property in their Council area. The Valuer General issues Notices of Valuation to advise landholders of their land value that will be used in the calculation of their council rates. Notices of Valuations are generally issued every three years, this is called a Revaluation. Within this three-year time period between revaluation base years, the Valuer General provides Council with Supplementary Lists every four weeks which dictate land value changes to particular properties.

These Revaluations will almost invariably result in land value fluctuations every three years in relation to the distribution of land values within the council area. This in turn will result in a proportional shift of each property owner's share of the total burden for rates.

### **Do high land values mean you pay high rates?**

The permitted increase in the total yield of rates is capped every year by the NSW Government. Rates are therefore not simply a function of land value. Even though land values can rise very steeply, this doesn't translate to steep rises in rates because of rate capping.

Land values generally increase over time. If the land values issued at the time of the General revaluation were used to generate Council's rate income at the rate in the dollar used for the previous year's calculations, then Council would raise more income than it is allowed.

In order to contain Council's income within the allowable limits, Council must reduce the rate in the dollar for each rating category. As the same rate in the dollar is then applied to each property within a rating category, the actual amount of rates payable is determined by the individual land valuation of the property.

As a result, due to the individual changes in land valuations for individual ratepayers, some ratepayers will experience variations in their rates that will either increase or decrease their rates for the first year after a General Revaluation.

The rates paid by some ratepayers may increase, decrease or stay the same in regard to the rate peg % limit set by IPART on behalf of the State Government each year. This will occur only as a result of a General Revaluation of all land values, which occurs every three years. (The determining factor is the land valuation on each individual property).

OR, if Council is successful in an application to IPART for a Special Rate Variation above the set Rate Peg % amount for that year, which can be effective for up to 7 years.

All enquiries relating to your land value should be directed to the Office of the Valuer General on 1800 110 038.

Or you can visit their website to learn more about the valuation of land.

## **PART 2**

# COMBINED DELIVERY PROGRAM 2018-2022 AND OPERATIONAL PLAN – 2021-22

## Responsibility Matrix

Each of the 124 actions contained in our combined Delivery Program and Operational Plan is assigned to a Council Officer, who is responsible for achieving the action and provides regular progress reports to the Council and community. The legend used throughout this report is set out below:

Acronym	Council Officer	Incumbent
<b>Office of the General Manager</b>		
GM	General Manager	Phillip Stone
MCED	Manager Community and Economic Development	Michelle Cobb
MES	Manager Environmental Services	Marie Sutton (Acting)
<b>Corporate Services</b>		
DCS	Director Corporate Services	Suni Campbell
MFIN	Manager Finance	Amanda Barber
MIM	Manager Information Management	Mark Siena
MPCS	Manager People and Customer Service	Helen Flisher
<b>Infrastructure</b>		
DIN	Director Infrastructure	Mark Dalzell
MEA	Manager Engineering and Assets	Michael Todd (Acting)
MOP	Manager Operations	Mike Burger

## Integrating our Strategies and Plans

Since its creation in 2016, Edward River Council has developed and adopted a range of strategies and plans to guide local decision-making. Some of these, such as the Disability Inclusion Action Plan and Workforce Management Plan, are required under the *Local Government Act 1993*, whereas others have been prepared to provide strategic direction for Council's community, economic and environmental programs and activities.

All strategies and plans adopted by Council can be accessed from Council's website at [www.edwardriver.nsw.gov.au](http://www.edwardriver.nsw.gov.au) or viewed in person at Council's Customer Service Centre at the Edward River Library, Napier Street, Deniliquin.

Where an action contained in the combined Delivery Program and Operational Plan has been drawn from an adopted plan or strategy, the responsible Council Officer has referenced the plan or strategy by including in brackets the acronym for that plan or strategy:

Acronym	Strategy
AVS	Advocacy Strategy
DIAP	Disability Inclusion Action Plan
DMP	Deniliquin Masterplan
EDS	Economic Development Strategy
FMP	Edward River at Deniliquin Floodplain Management Study and Plan
OSS	Edward River Region Open Space Strategy
WMP	Workforce Management Plan

## Outcome 1 - A great place to live

This outcome aims to continue to build on making the Edward River area a great place to live. It focuses on ensuring we have the services required to meet our communities needs and to ensure we can attract new residents. Through the provision of quality open space, recreation facilities and community halls we will make our community safe, happy and healthy, both physically and mentally. Finally, we want to ensure that through listening and partnering with the community we can ensure our communities areas of strength and interest are enhanced.

In line with our Community Strategic Plan, *Edward River 2030*, our three targets to achieve this outcome are:

- 1.1 Our community has access to essential services
- 1.2. Our community is safe, happy and healthy, both physically and mentally
- 1.3 Our community and public space are accessible and inclusive and reflect our history, heritage and culture

Council deliver a variety of services that will help to achieve this outcome:

- Recreation
- Economic Development
- Community Development
- Tourism
- Community facilities
- Governance
- Libraries
- Building and Health

## 1.1 Our community has access to essential services

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
1.1.1 Communicate and engage with stakeholders to understand community need and undertake advocacy on important issues.	1.1.1.1 Engage with the Australian and New South Wales Governments, seeking financial and political support for Council's Advocacy Strategy.	GM	At least two public delegations to Canberra and Sydney to engage with Federal and State politicians undertaken	Office of GM
	1.1.1.2 Improve Council's website to be a key platform for Council's community engagement activities.	GM	Council's website reviewed and key changes implemented to integrate with community engagement activities	Communications
	1.1.1.3 Facilitate the development of a retirement living facility to support our ageing population.	GM	Seniors Living Precinct project developed with options for an operating model presented to Council for decision	Office of GM
1.1.2 Council is committed to advocating, facilitating and where appropriate providing lifelong learning and education opportunities.	1.1.2.1 Operate the Edward River Library and provide quality library services to the Edward River community.	MCED	Regional service levels / Met State Library NSW baseline benchmark / Met	Library

## 1.2 Our community is safe, happy and healthy, both physically and mentally

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
1.2.1 Develop and maintain Council's sporting facilities, pool, playgrounds and walking and cycling paths.	1.2.1.1 Finalise masterplan for Rotary Park.	MES	Masterplan / Completed	Town Planning
	1.2.1.2 Implement adopted management model for the Deniliquin Swim Centre.	MEA	Management model / Implemented	Engineering
1.2.2 Provide community halls and facilities.	1.2.2.1 Inspections and maintenance undertaken on Community Halls and facilities.	MOP	Inspections of Halls and Playgrounds / 100% completed	Operations
1.2.3 Deliver services to enhance community safety in the built and natural environment.	1.2.3.1 Deliver a companion animal desexing program.	MES	Program / Delivered	Animal Control
	1.2.3.2 Deliver four free microchipping weeks.	MES	Program / Completed	Animal Control
	1.2.3.3 Undertake food premises inspections to ensure compliance with NSW Food Act.	MES	Food premises inspected annually 100%	Health Services

## 1.2 Our community is safe, happy and healthy, both physically and mentally (cont.)

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
1.2.3 Deliver services to enhance community safety in the built and natural environment.	1.2.3.4 Undertake water sampling of Councils water supply.	MES	Water sampling schedule completed / 100%	Health Services
	1.2.3.5 Participate in NSW Health arbovirus monitoring program.	MES	Program / Completed	Health Services
	1.2.3.6 Undertake swimming pool barrier inspections.	MES	Program / Completed	Health Services
	1.2.3.7 Finalise detailed designs and costings for a new companion animal shelter.	MES	Design / Costings finalised	Animal Control
	1.2.3.8 Prepare framework for Underground Petroleum storage systems (UPSS) program implementation.	MES	Program / Implementation completed	Town Planning

## 1.2 Our community is safe, happy and healthy, both physically and mentally (cont.)

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
1.2.3 Deliver services to enhance community safety in the built and natural environment.	1.2.3.9 Implement adopted liquid trade waste policy.	MEA	Increase in non-compliant properties / 0%	Engineering
	1.2.3.10 Promote COVID-19 policies and restrictions.	DIN	LEMC COVID-19 subcommittees / Implement signage at Council facilities 100%	Infrastructure

## 1.3 Our community and public space are accessible and inclusive and reflect our history, heritage and culture

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
1.3.1 Council aims to develop the Edward River Council region as a vibrant and progressive community by supporting and partnering with community groups and assisting in developing cultural spaces.	1.3.1.1 Deliver the Town Hall Revitalisation Project.	DIN	Project milestones / Met	Infrastructure
	1.3.1.2 Support Yarkuwa Indigenous Knowledge Centre in delivering NAIDOC Week Celebrations.	MCED	NAIDOC Week Celebration / Delivered	Office of GM
	1.3.1.3 Submit grant application to enable 2020 NSW Seniors Festival Celebrations.	MCED	Application / Delivered	Community

### 1.3 Our community and public space are accessible and inclusive and reflect our history, heritage and culture (cont.)

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
1.3.1 Council aims to develop the Edward River Council region as a vibrant and progressive community by supporting and partnering with community groups and assisting in developing cultural spaces.	1.3.1.4 Submit grant application to enable 2020 NSW Youth Week Festival Celebrations.	MCED	Application / Delivered	Community
1.3.2 Deliver and support events, activities and programs that promote engaged citizenship and foster civic pride.	1.3.2.1 Facilitate Australian Citizenship Ceremonies.	GM	Citizenship Ceremonies / Held	Office of GM
	1.3.2.2 Support the delivery of 2021 Anzac Day Commemoration services at Deniliquin and Wanganella.	GM	Commemoration Services / Held	Office of GM
	1.3.2.3 Deliver 2021 Australia Day celebrations and co-ordinate the annual Edward River Council Australia Day Awards.	GM	Event / Held Awards / Conferred	Office of GM

Delivery Program Measures		
Measure	Baseline	Target
Community satisfaction with:		
Appearance of public areas	Not currently measured	State average for rural Council
Recreational facilities	69	72
Art centres and libraries	Greater than 80% score the library service as good or very good	Greater than 85% score the library service as good or very good
Percentage of population who are library members	35.5%	37%
Percentage of required food safety inspections undertaken	100%	100%

## Outcome 2 - A prosperous and vibrant economy

This outcome aims to ensure the Edward River area has a prosperous and vibrant economy. We will do this by working with our existing industries to maximise their opportunities and seek to attract new investments that 'value add'. We want to ensure our economy is diversified so we can withstand any shocks that may occur. Our region is blessed with terrific natural assets and through further developing and promoting these we are aiming to increase visitation numbers. Finally, we will work with industry, employment agencies and education providers to try to align the local jobs of the future with the development of people of all ages to ensure the job requirements of local industry can be supported by a robust local skills network.

In line with our Community Strategic Plan, *Edward River 2030*, our three targets to achieve this outcome are:

- 2.1 Our economy is strong and diverse
- 2.2 We develop our key assets to enhance agriculture, to boost tourism and support existing business
- 2.3 Our region provides strong education, employment and training opportunities

Council deliver a variety of services that will help to achieve this outcome:

- Economic Development
- Tourism
- Visitor Information services
- Arts and culture
- Parks, gardens and open space

## 2.1 Our economy is strong and diverse

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
2.1.1 Support and grow local business and agriculture.	2.1.1.1 Seek funding to implement the Agribusiness Masterplan.	MCED	Application / Lodged Strategy / Commenced	Economic Development
	2.1.1.2 Leverage Council's Major Project Pipeline to attract funding.	MCED	Initiatives / 1	Economic Development
	2.1.1.3 Support Deniliquin Business Chamber 2020 Business Excellence Awards.	MCED	Business Excellence Awards / Delivered	Office of GM
2.1.2 Develop and promote investment opportunities within Edward River region.	2.1.2.1 Host a series of Developer's Forums to uncover business and residential development opportunities.	MCED	Forums held / 3	Economic Development Business Support
	2.1.2.2 Actively support development within Edward River to foster increased housing stock whilst maintaining integrity of the regulatory environment.	MES	Demonstration of facilitation of new or modified residential subdivision Development Applications through monthly Environmental Services report to Council	Town Planning/ Economic Development

## 2.1 Our economy is strong and diverse

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
2.1.3 Streamline processes and identify efficiencies to assist investors, developers, builders and event organisers.	2.1.3.1 Determine applications for development and local activities.	MES	DA 80% within statutory time frames CDC 80% within statutory time frames CC 80% within 30 days of registration S68 80% within 14 days of registration	Town Planning
	2.1.3.2 Determine planning Certificates and sewer drainage diagrams on application.	MES	Planning certificates issued within five days of receipt / - >90% Sewer drainage diagrams issued within five days of receipt / - >90%	Town Planning
	2.1.3.3 Planning proposal for Deniliquin LEP completed. LEP prepared and finalised.	MES	LEP prepared / Completed	Town Planning

## 2.2 We develop our key assets to enhance agriculture, boost tourism and support existing business

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
2.2.1 Promote and develop Edward River region as a place to live, learn, work, play and visit.	2.2.1.1 Provide a heritage advisory service to the community.	MES	Heritage service provided / Completed	Community Services
	2.2.1.2 Provide funding for heritage projects through the Local Heritage Fund.	MES	Local Heritage projects funded / = > budgeted amount	Community Services

	2.2.1.5 Develop and update promotional collateral and information on the Visit Deni website and social media platforms.	MCED	Marketing collateral / Developed	Tourism

## 2.2 We develop our key assets to enhance agriculture, boost tourism and support existing business (cont.)

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
2.2.1 Promote and develop Edward River region as a place to live, learn, work, play and visit.	2.2.1.6 Support existing events including the Deni Ute Muster and attract new events.	MCED	Events supported or attracted / 3	Economic Development
2.2.2 Invest in our rivers, creeks, billabongs and main streets to support existing business and attract tourism.	2.2.2.1 Deliver projects funded through the NSW Government Funded Programs.	DIN	Projects with acquittal dates in 2021/22 / 100% Completed	Infrastructure

## 2.3 Our region provides strong education, employment and training opportunities

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
2.3.1 Work in partnership with business to identify skill and employment gaps that can attract new residents and support economic growth.	2.3.1.1 Engage with employers and training to providers to align needs.	MCED	Meetings held / 2 Report Outcomes / 1	Economic Development

Delivery Program Measures		
Measure	Baseline	Target
Increase in visitor numbers	118,200	120,000
Increase in no of jobs	3,778	3,800
Community satisfaction with: <ul style="list-style-type: none"> <li>• Economic Development/Tourism</li> <li>• Community and Cultural services</li> </ul>	Not currently measured Not currently measured	State average for rural Council State average for rural Council
Increase in no of businesses	461	480
No of visitors to Peppin Heritage Centre	17,000	17,850

## Outcome 3 - A valued and enhanced natural environment

This outcome focuses on enhancing and strengthening our natural environment. It identifies that we will place an emphasis on waste management and undertake a business case to investigate kerbside recycling. The natural environment is a key strength of our region and as such we want to make sure we sustainably manage Council owned and managed land, focus on weed control initiatives and implement a planned approach to recreation and open space upgrades. Finally, we will plan for and help facilitate suitable growth and development across the region. This will include a proactive approach to strategic planning, combining our Local Environmental Plan's (LEPs) into a single document and implementing outcomes from the Deniliquin Flood Study.

In line with our Community Strategic Plan, *Edward River 2030*, our three targets to achieve this outcome are:

- 3.1 We are committed to resource recovery and waste management
- 3.2 Our natural environment is protected and enhanced
- 3.3 We plan for the future to accommodate and facilitate sustainable growth and development

Council deliver a variety of services that will help to achieve this outcome:

- Waste management
- Parks and Gardens
- Statutory Planning
- Strategic Planning
- Building and Health
- Property

### 3.1 We are committed to resource recovery and waste management

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
3.1.1 Minimise waste to landfill and investigate options for recycling.	3.1.1.1 Looking into options to provide kerbside recycling.	MEA	Project Plan / Completed	Engineering
	3.1.1.2 Review opportunities to commence Food Organics and Garden Organics (FOGO).	MEA	Project Plan / Completed	Engineering
	3.1.1.3 Consolidate Pretty Pine and Conargo Landfill areas.	MEA	Community education program / Implemented	Engineering
3.1.2 Provide sustainable waste services and infrastructure.	3.1.2.1 Operate the Deniliquin Landfill Depot and Blighty, Booroorban, Conargo, Pretty Pine and Wanganella Waste Disposal Depots.	MOP	EPA Licence conditions / Met	Operations
	3.1.2.2 Provide DrumMUSTER collection services at Deniliquin Landfill Depot.	MOP	DrumMUSTER services provided	Operations

### 3.2 Our natural environment is protected and enhanced

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
3.2.1 Sustainably manage Council owned and managed natural areas.	3.2.1.1 Maintain the Deniliquin public cemeteries.	MOP	Complete maintenance of Cemeteries / 100% Interments in accordance with Cemetery Operational Plan / 100%	Operations
	3.2.1.2 Maintain Pioneer cemeteries.	MOP	Complete maintenance of Cemeteries / 100%	Operations
3.2.2 Proactively manage the impacts associated with invasive species.	3.2.2.1 Integrate and deliver weed control across Edward River Region.	MOP	Implement new Weed Action Plan (WAP)	Operations
3.2.3 Collaborate with emergency services and other agencies to provide cohesive emergency management services.	3.2.3.1 Convene the Local Emergency Management Committee.	DIN	LEMC meetings per year / 3	Infrastructure

### 3.2 Our natural environment is protected and enhanced (cont.)

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
3.2.4 Provide great Parks and Open Space by greening our streets, managing tree safety and improving our town entrances, sporting ovals, gardens and passive recreation spaces.	3.2.4.1 Deliver the Rural Tree Scheme.	MOP	Deliver Rural Tree Scheme	Operations
	3.2.4.2 Service Level Agreements for Council's Parks and Open Space services.	MOP	Service Level Agreements / Completed	Operations

### 3.3 We plan for the future to accommodate and facilitate sustainable growth and development

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
3.3.1 Manage the built environment in line with the LEP and relevant legislation.	3.3.1.2 Commence a review of the Deniliquin Development Control Plan.	MES	DCP Review / Commenced	Town Planning
3.3.2 Undertake strategic planning to ensure our community is well planned and there is adequate land available to support residential, business, industrial and agricultural growth.	3.3.2.1 Prepare Implementation Plan for Industrial Land Strategy.	MCED / MES	Implementation Plan for Industrial Land Strategy/ commenced	Economic Development and Town Planning

## Delivery Program Measures

Measure	Baseline	Target
Volume of waste diverted from landfill	Not currently measured	Annual reduction of waste received in landfill
Kerbside collection bins missed per 10,000 households	Not currently measured	Less than 20 bins per 10,000 households
Processing time for development applications	40 days for development applications 60 days for integrated development application	30 days for development applications 60 days for integrated development applications
Community satisfaction with:		
<ul style="list-style-type: none"> <li>Waste management</li> </ul>	Not currently measured	State average for rural Council
<ul style="list-style-type: none"> <li>Planning and building permits</li> </ul>	Not currently measured	State average for rural Council

<ul style="list-style-type: none"> <li>Ease of access to services</li> </ul>	62	65

## Outcome 4 - A region with quality and sustainable infrastructure

This outcome aims to create quality and sustainable built infrastructure. A significant part of Council's role is the management, maintenance and renewal of built infrastructure. Over the next three years we will focus on reducing our asset renewal gap with a focus on Council's road network. We will develop and implement an improved asset management system that ensures we are investing in the right infrastructure at the right time to maximise community benefit and minimise costs. Finally, we will continue to maintain and upgrade our water and sewer networks and plan for the upgrade of the Deniliquin Sewerage Treatment Plant.

In line with our Community Strategic Plan, *Edward River 2030*, our three targets to achieve this outcome are:

- 4.1 Our built environment is managed, maintained and improved
- 4.2 Our road network is a source of pride
- 4.3 Our water and sewer infrastructure is efficient and fit for purpose

Council deliver a variety of services that will help to achieve this outcome:

- Fleet and Plant
- Water and Sewer services
- Stormwater
- Engineering services
- Roads

## 4.1 Our built environment is managed, maintained and improved

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
4.1.1 Responsibly manage our assets including roads, buildings, footpaths, airport, cemeteries, recreation and sporting facilities and public toilets by inspecting and monitoring maintenance and renewal needs.	4.1.1.1 Deliver Buildings Maintenance Program.	MOP	Maintenance Program / Delivered	Operations
	4.1.1.2 Deliver Roads Maintenance Program.	MOP	Maintenance Program / Delivered	Operations
	4.1.1.3 Deliver Capital Works Program.	DIN	Capital Works Program delivered / 90%	Operations
	4.1.1.4 Prepare planning proposal for rezoning and reclassification of surplus open space.	MES	Planning proposal / Commenced	Environmental Services
4.1.2 Understand and plan for Council's asset renewal requirements.	4.1.2.1 Undertake a review of Council's existing Plant and Fleet register.	MOP	Review / Completed	Infrastructure
	4.1.2.2 Develop a 10-year plant replacement program.	MOP	Year one of current 10-year program / Implemented	Infrastructure
	4.1.2.3 Refine draft Service Level Agreements including inspection, maintenance and intervention criteria.	MOP	Service Level Agreements set-up in Tech One / Implemented	Infrastructure

## 4.1 Our built environment is managed, maintained and improved (cont.)

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
4.1.2 Understand and plan for Council's asset renewal requirements.	4.1.2.4 Invest in Council assets at a level equal to depreciation.	MEA	Capital expenditure compared to depreciation / = >90%	Engineering
	4.1.2.5 Undertake asset valuations for asset classes in accordance with Asset Management Strategy.	MEA	Asset valuation for one asset class / Completed	Engineering
	4.1.2.6 Convene the Asset Management Steering Committee.	MEA	Meetings per year / 4	Engineering

## 4.2 Our road network is a source of pride

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
4.2.1 Close Council's asset renewal gap with the road network as the priority area of focus.	4.2.1.1 Implement current year's program of works to renew Council's road network in line with condition assessments.	MOP	Works delivered / 90%	Operations

### 4.3 Our water and sewer infrastructure is efficient and fit for purpose

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
4.3.1 Provide for safe, reliable and sustainable water and sewerage services.	4.3.1.1 Deliver Council's Water and Sewer Capital Works Program.	MEA	Capital Works Program delivered / 90%	Engineering
	4.3.1.2 Deliver Council's Water and Sewer Infrastructure Maintenance Program.	MOP	Maintenance Program / Delivered	Infrastructure
4.3.2 Plan for the replacement of the Deniliquin Sewerage Treatment plant.	4.3.2.1 Plan the replacement of the Deniliquin Sewerage Treatment Plant in consultation with NSW Government.	MEA	Funding application to NSW Government / Submitted	Engineering

Delivery Program Measures		
Measure	Baseline	Target
% Completion of capital works program annually	70%	90%
Asset Management Maturity	Nil	Complete development of: 1. Asset Management Plans 2. Asset Condition Inspection Manual
Reduction in asset renewal gap	90% annual expenditure on assets compared to depreciation	100% annual expenditure on assets compared to depreciation
Community satisfaction with:		
Local streets and footpaths	41	45

## Outcome 5 - A community working together to achieve its potential

This outcome focuses on creating strong partnerships and delivering strong civic leadership. We will do this by placing a focus on consultation and communication and ensuring the community can provide input on key decisions. We will work to create strong partnerships and collaborate and facilitate to create community partnerships. Finally, Council as a business will focus on ensuring we deliver value for money, become an employer of choice and deliver innovative and effective solutions and place a focus on customer service.

In line with our Community Strategic Plan, *Edward River 2030*, our three targets to achieve this outcome are:

- 5.1 Our community is informed and engaged
- 5.2 We collaborate and pursue partnerships that achieve great outcomes for our community
- 5.3 Our local government is efficient, innovative and financially sustainable

Council deliver a variety of services that will help to achieve this outcome:

- Human Resources
- WHS, Risk and Insurance
- Information Technology
- Financial Management
- Customer Service
- Workforce Development
- Media and Communications

## 5.1 Our community is informed and engaged

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
5.1.1 Proactively communicate information on Council services, activities and events.	5.1.1.1 Communicate information on Council services, activities and events.	MCED	Community News page / 30 Engagement with Council social media accounts / Increasing Media releases produced / 44 Newsletter published / 2	Corporate Communications/ Office GM
5.1.2 Provide opportunities for the community to be involved in key strategies, policies and decisions of Council.	5.1.1.2 Review Council's website to ensure it remains accessible and provides an engaging customer experience.	MCED	Website structure/ Reviewed	Economic Development

## 5.2 We collaborate and pursue partnerships that achieve great outcomes for our community

Delivery Program 2018-2022	Operational Plan 2021-2022 Action	Responsible Officer	Measure/Target	Budget Program
5.2.1 Work in partnership with the community on key projects.	5.2.1.1 Support community projects with financial assistance through the Community Grants Program.	MCED	Community Grants Program / Delivered	Community
	5.1.2.2 Conduct ordinary and extraordinary meetings open to the public.	GM	Adopted schedule of meetings / Implemented Ordinary meeting business papers Published to Council's website three days prior to meeting	Office GM

## Delivery Program Measures

Measure	Baseline	Target
% Of Councillors in attendance at Council meetings	80%	Greater than 85%
Staff turnover as a % of permanent staff numbers	7.8%	Less than 10%
% Of Council decisions made at meetings closed to the public	15%	Less than 10%
Lost time injury frequency rate	19.22	12.8
Community satisfaction with:		
Community consultation	57	63
Informing the community	59	65
Decisions made in the community interest	54	60
Value for money	43	46
Customer service	59% consider Customer Service good or very good	65% (in line with State-Wide average)
Overall Council performance	56	58 (in line with State-Wide average)

**PART 3**  
BUDGET  
2021 - 2022

## Executive Summary

Edward River Council's annual budget forms part of the Operational Plan 2021-22, along with the Statement of Revenue Policy and Fees and Charges. The Delivery Program normally covers a three-year period but was extended for a further year due to the COVID-19 pandemic and the extension of Councillors terms. The Program contains high-level financial information whilst the budget focuses on the next financial year and shows more detailed expenditure and income.

The 2021-22 budget has been prepared using the previous year's Long-Term Financial Plan as a reference, adjusted for known variations and new demands, and will deliver a budget totalling \$28.49 million, investing \$28.95 million in capital works (with \$10.39 million Assets Renewal/New works and \$10.26 million works carried forward) and returning an operating surplus of \$5.95 million

The \$5.95 million operating surplus is made up of three funds:

- General \$4.40 million
- Water \$0.45 million
- Sewer \$1.10 million

Total Revenue (inclusive of capital grants)	
General fund	\$27.70 million
Water fund	\$3.35 million
Sewer fund	\$3.38 million
<b>Consolidated funds</b>	<b>\$34.43 million</b>

Total Costs	
General fund	\$23.31 million
Water fund	\$2.90 million
Sewer fund	\$2.28 million
<b>Consolidated funds</b>	<b>\$28.49 million</b>

## Rates and annual charges revenue

Rating revenue increases in accordance with the Independent Pricing and Regulatory Tribunal (IPART) rate peg determination, which is 2 per cent for 2021-22 plus an additional \$194,000 in recouped forgone rates income from 2020-21.

According to IPART, “the rate peg is mainly based on the Local Government Cost Index (LGCI), which measures price changes over the previous year for goods and labour that an average council will use. We also look at productivity changes over the same period.”

The projected rates revenue for 21/22 will be \$7.6m. For further detail, refer to Council's Statement of Revenue Policy.

## User charges and fees revenue

Generally, user charges and fees have been set to increase by 1.78 per cent, although there are exceptions where individual fees have been assessed and will increase at a different rate, whilst others are prescribed by the NSW Government – with Council having no discretion in the setting of those fees.

For further detail, refer to Council's Fees and Charges section of this document.

## Interest and investment revenue

Interest on overdue rates, charges and deferred debts is budgeted at \$81,243.

Council's estimated interest investment revenue for 2021/22 is \$134,999.

Council will continue an investment strategy to maximize return on investment, whilst maintaining a low risk portfolio governed firstly by the

Minister of Local Government's Order, as set out below; and secondly by Council's Investment Policy which provides the framework for minimizing risks involved in investing public funds.

Minister of Local Government's Order - as published in the NSW Government Gazette on 11 February 2011:

The investment of surplus funds will be in accordance with Section 625 of the Act and by order of the Minister as published in the Gazette, in the form of:

- (a) any public funds or securities issued by or guaranteed by, the Commonwealth or any State of the Commonwealth or a Territory;
- (b) any debentures or securities issued by a council (within the meaning of the Local Government Act 1993 (NSW));
- (c) interest bearing deposits with, or any debentures or bonds issued by, an authorised deposit-taking institution (as defined in the *Banking Act 1959 (Cwth)*), but excluding subordinated debt obligations;
- (d) any bill of exchange which has a maturity date of not more than 200 days; and if purchased for value confers on the holder in due course a right of recourse against a bank which has been designated as an authorised deposit-taking institution by the Australian Prudential Regulation Authority;
- (e) A deposit with the New South Wales Treasury Corporation or investments in an Hour-Glass investment facility of the New South Wales Treasury Corporation.

All investment instruments (excluding short term discount instruments) referred to above include both principal and investment income.

### **Grants and contributions revenue**

An optimistic approach has been taken with budgeting for grants and contributions revenue. The Financial Assistance Grant of \$5.9 million is forecast to grow at a modest rate of 1.78%. Over many years this grant has proven difficult to predict.

Generally, only known future grants are included in the forward projections, with the exception of grants which have been reliably received over a long period of time. The Pensioner Rebate subsidy of \$151,811 is shown for the forward period based on 55 per cent from the NSW Government. The original subsidies were 5 per cent Australian Government and 50 per cent NSW Government; however, the Australian Government contribution was discontinued in 2014-15 but was offset by the NSW Government increasing its subsidy to 55 per cent for a temporary period. It is assumed that this additional subsidy will be maintained into the future.

### **Employee costs**

As at March 2021, Council employed 101.63 full time equivalent staff. Employee-related costs, which include salaries, entitlements, insurances, taxes, travel and training costs, are estimated to be \$9.67m. It is assumed that employee costs will grow at a rate of 2 per cent in the forecast period. This includes anticipated award increases, growth through salary progression and reduction in training budget.

### **Borrowing costs**

Council currently has no loan portfolio and we are exploring the possible borrowings for the retirement facilities and airport project in the forecast period.

### **Materials and contract costs**

Materials and contracts costs estimate for the 2021-22 has reduced from the previous year, which is attributed mainly due reduced grant funded operational costs for the merger and drought communities program.

### **Councillor remuneration costs**

Council has resolved that in accordance with Section 241 of the *Local Government Act 1993* (the Act), Council will fix the annual fee paid to Councillors to the maximum determination made by the Remuneration Tribunal for the category Rural area.

## Financial Assistance Program

Under section 356 of the Act, Council provides a range of financial assistance programs. Council's Community, Annual and Quick Response Grants operate within Council's Grants Program Policy, with other financial assistance programs operating under different instruments, such as Memoranda of Understanding or State and Federal Funding agreements. Council's financial assistance programs for 2021-22 are set out below:

	Budget 20/21	Budget 21/22
<b>Income</b>		
Local Heritage Places Funding	\$6,250	\$6,250
Advisor Grant	\$7,000	\$5,000
Long Paddock	\$14,000	\$14,000
<b>Total Income</b>	<b>\$27,250</b>	<b>\$25,250</b>
<b>Expenditure</b>		
ERC Education Fund	\$10,000	\$10,000
Contributions to Schools	\$5,000	\$5,000
Donations and Contributions Community Grants	\$50,000	\$50,000
Donations and Contributions - Ute Muster Contributions in Kind	\$60,000	\$60,000
Donations and Contributions - Ute Muster Donations Program	\$25,000	\$25,000

	Budget 20/21	Budget 21/22
Donations and Contributions - Bush Bursary	\$3,000	\$3,000
Local Heritage Places Expenditure (match grant 1:1)	\$16,250	\$16,250
Quick Response Grants	\$10,000	\$10,000
Doctor Incentive	\$10,000	\$10,000
Advisor Grant expenditure (grant funded)	\$14,000	\$10,000
Long Paddock	\$28,000	\$28,000
<b>Total Expenditure</b>	<b>\$231,250</b>	<b>\$227,250</b>
<b>Donations &amp; Contributions Net Result</b>	<b>-\$204,000</b>	<b>-\$202,000</b>

### **Other costs**

Other expenditures are set to increase by only 1.2 per cent.

### **Reserves**

Council has a number of reserves which represent cash that is restricted for specific purposes, usually to fund future expenditure.

### **Capital program**

The 2021-22 budget has a renewal/new capital program totalling \$10.39 million. Highlights include:

- Annual Local Roads Renewal Programs: \$3.85 million
- Annual Regional Roads Renewal Program: \$2.50 million
- Water and Sewer infrastructure renewal programs: \$1.50 million
- Maude Road \$1.45 million
- Plant disposal and acquisition program: \$1.21 million

Details of the capital program can be found in the 2021/22 Budget Detail for each Capital Works Program.

### **Other initiatives**

The 2021-22 budget also includes expenditure for some of the following one-off projects funded by grants:

- Implementation of Signage Strategy
- North Deni Rest Area
- Cemetery upgrades
- Peppin Heritage Centre upgrades
- Skate-park renewal
- Island sanctuary works
- Memorial Park amenities
- Off-leash dog park
- Hydro Pool upgrades

## GENERAL FUND

General fund revenue is sourced mostly from rates and operating grants. Each year the NSW Government determines the maximum amount by which Councils can increase their annual general rates income. The responsibility for determining the annual rate peg has been delegated to the Independent Pricing and Regulatory (IPART).

## CAPITAL WORKS PROGRAM

### Capital Program – Summary

Infrastructure	\$
<b>Plant</b>	
Sterling Water Cart	\$325,000.00
Nissan UD GW470	\$200,000.00
HAMLEX Trailer	\$75,000.00
Traffic Lights	\$40,000.00
Walker MO21d-11 Ride On Mower	\$50,000.00
Prado GLX 2.8L	\$58,000.00
Ford Ranger 4x4 Twin Cab 2.2 T/D	\$42,000.00
Holden Captiva 7	\$35,000.00
XR6 Falcon	\$35,000.00
Ranger XLT 4x4 Dual Cab Ute	\$48,000.00
2016 Ford Ranger 4x4 Dual Cab	\$42,000.00
Ford Ranger XL 4x4 Dual Cab	\$42,000.00
Ford Ranger XL 4x4 Dual Cab	\$42,000.00
Ford Ranger XL 4x4 Dual Cab	\$42,000.00
Colorado Cab Chassis Auto	\$40,000.00
Colorado Single Cab Chassis	\$40,000.00
Miscellaneous small equipment and tools	\$50,000.00
	<b>\$1,206,000.00</b>

<b>Infrastructure</b>	<b>\$</b>
<b>Roads</b>	
Reconstructions	\$588,000.00
Kerb and Gutters	\$300,000.00
Roads to Recovery	\$1,150,000.00
Reseal	\$810,000.00
Resheet	\$740,000.00
Bridges	\$100,000.00
Footpaths	\$165,000.00
Regional Roads – RMS	\$2,500,000.00
	<b>\$6,353,000.00</b>
<b>Buildings &amp; Facility</b>	
Asbestos Removal – Stage 1	\$120,000.00
Library	\$170,000.00
Aerodrome Hanger Refurbishment	\$35,000.00
Old Conargo Shire Building	\$35,000.00
Medical Centre	\$65,000.00
Commsafe Building at Airport	\$75,000.00
	<b>\$500,000.00</b>
<b>Open Space, Recreation and Other Structures</b>	
Swimming Pool Refurbishment	\$100,000.00
Open and Public Space Refurbishment	\$300,000.00
	<b>\$400,000.00</b>

Drainage related to Road works	\$80,000.00
	<b>\$355,000.00</b>
<b>Water</b>	<b>\$850,000.00</b>
<b>Sewerage</b>	<b>\$650,000.00</b>
<b>Non- Infrastructure</b>	
IT Program	\$40,000.00
Library Books	\$40,000.00
	<b>\$80,000.00</b>
<b>Total New Capital Program (Renewal &amp; Upgrades)</b>	<b>\$10,394,000.00</b>

## Capital Works - Grant Funded Projects

Major Works Grant Funded Projects
Memorial Park Upgrades
Civic Centre & Office Accommodation
Town Hall Building
Town Hall Civic Plaza
Airport Upgrades

Drought Communities Round 2 Projects
Waring Gardens Rotunda & Amenities block upgrades
Rotary Park Clubrooms and Grounds refurbishment
Town Hall Civic Plaza

Local Roads and Community Infrastructure Round 1 Projects
Cemetery Upgrades
Peppin Heritage Centre Upgrades
Memorial Park Upgrades
Off-leash Dog Park
Hydro Pool Upgrades

Local Roads and Community Infrastructure Round 2 Projects
Skate Park Renewal
Island Sanctuary Upgrades
Local Footpath upgrades
Gravel Road Renewals

### Capital Works - Kerb and Gutter Program

Road	From	To	Kerb and Gutter	Total
Hay Road	Standpipe Bay		Yes	\$68,250.00
Harfleur Street	Crispe Street	Junction Street	Yes	\$95,750.00
Wellington Street	Harfleur Street	Henry Street	Yes	\$68,000.00
Decimus Street	Harfleur Street	Henry Street	Yes	\$68,000.00
<b>Total Road Reconstruction</b>				<b>\$300,000.00</b>

### Capital Works - Road Reseal Program

Road	From	To	Total
Napier Street	Wood Street	Henry Street	\$19,000.00
Burton Street	Sloane Street	Henry Street	\$13,000.00
Edwardes Street	Harfleur Street	Poictiers Street	\$35,000.00
Dick Street	Waring Street	Henry Street	\$10,000.00
Golf Club Road	Memorial Drive	Golf Club	\$21,000.00
Fowler Street	Ochertyre Street	Sloane Street	\$20,000.00
Harfleur Street	Junction Street	Wellington Street	\$36,000.00
Junction Street	Noyes Street	Sloane Street	\$10,000.00
Sloane Street	Edwardes Street	Napier Street	\$22,000.00

Road	From	To	Total
Cooinda Lane	Lawson Syphon Road	End	\$32,000.00
Aratula South Road	0km	3.21km	\$108,000.00
Mayrung Road	0km	1.63km	\$60,000.00
Wanganella- Moulamein Road	8.3km	10.3km	\$48,000.00
Millears Road	13.6km	14.8km	\$31,000.00
Logie Brae Road	5.5km	11.2km	\$164,000.00
Local Road Construction Reseal Program 21/22			\$181,000.00
<b>Total Road Reseal Program</b>			<b>\$810,000.00</b>

### Capital Works - Road Resheet Program

Road name	Total
Cosgroves Road	\$70,000.00
Kerri East Road	\$63,000.00
Wanganella-Moulamein Road	\$70,000.00
Booroorban-Tchelery Road	\$30,000.00
Hannas Road	\$9,000.00
Carrathool Road	\$498,000.00
<b>Total Road Resheet Program</b>	<b>\$740,000.00</b>

### Capital Works – Water Infrastructure Program

Asset	Description	Total
Watermain Rehabilitation Program	Renewal of various watermains	\$400,000.00
Water Treatment Plant Refurbishment	Refurbishment works at the Water Treatment Plant	\$50,000.00
Raw Water Pump Station Replacement	Replacement of a pump at the raw water pump station that feeds the Water Treatment Plant	\$400,000.00
<b>Total Water Infrastructure Program</b>		<b>\$850,000.00</b>

### Capital Works - Sewer Infrastructure Program

Asset	Description	Total
Sewerage Treatment Plant Refurbishment	Various refurbishments at the Sewerage Treatment Plant	\$50,000.00
Sewer Relining	Sewer relining throughout Deniliquin	\$400,000.00
Sewer Pump Station Refurbishment	Pump Station refurbishments as per Fifteen50 report	\$150,000.00
Sewer Reticulation CCTV Inspections	CCTV inspections for future planning	\$50,000.00
<b>Total Sewer Infrastructure Program</b>		<b>\$650,000.00</b>

## **PART 4**

# STATEMENT OF REVENUE POLICY

## Introduction

*The Local Government Act* (the Act) requires Council, under section 404, to include a Statement of Revenue Policy in its annual Operational Plan. In compiling this statement, significant factors have been considered in conjunction with the projected Operational Budget. In the current economic climate, Council is continuing to face cost pressures while being relatively constrained with a static revenue base. The 2021-22 Operational Budget has been formulated within these income and cost constraints.

The Revenue Policy is a key component of the Operational Plan and lists Council's Rates, Fees and Charges for 2021-22, including all areas that support the generation of Council's income.

Revenue categories include:

- Rates;
- Annual charges for services;
- Fees for services;
- Commonwealth and State government grants;
- Earnings on investments;
- Borrowings;
- Other revenues, including income from the sale of assets.

Council adopts its Revenue Policy on an annual basis. The following sections provide information regarding how Council will levy ordinary land rates, charges and fees in the 2021/22 financial year and the anticipated revenue that will be derived from each separate rate, charge and fee.

## Rates

Rates are levied on the land value (as determined by the Valuer General) of each rateable property and in accordance with the *Local Government Act 1993*.

### Categorisation of Land for the purposes of ordinary rates

Council has categorised all rateable properties in accordance with section 514 of the Act, to be within one of the following rating categories.

- Farmland
- Residential
- Mining
- Business

Before making an ordinary rate, a council may determine a sub-category or sub-categories for one or more categories of rateable land in its area. A sub-category may be determined for the category:

- "Farmland" according to the intensity of the land use, the irrigability of the land, or economic factors affecting the land; or
- "Residential" according to whether the land is rural residential land or is within a Centre of Population; or
- "Mining" according to the kind of mining involved; or
- "Business" according to a Centre of Activity.

### Rating Methods

The Act provides Council with the following three alternative methods for levying rates:

- Solely ad valorem rating;
- Minimum rate plus ad valorem rate;
- A base amount of up to 50% of the total yield required to be raised from a category or sub-category plus an ad valorem rate.

The ad valorem amount of a rate is an amount in the dollar determined for a specified year by the council and expressed to apply, in the case of an ordinary rate, to the Land Value of all rateable land in the council's area within the category or sub-category of the ordinary rate.

### Land Valuations

Land valuations are supplied to Council by the NSW Valuer General's Office (VG) and are based on the unimproved capital value (ignoring any developments) on the land. Land valuations are used by Councils to levy ordinary land rates. The VG provides council with Supplementary Lists every four weeks which dictate land value changes to particular properties within the three year base year period.

For equity purposes, the VG provides Council with updated land valuations every three years. July 2019 Base Date Valuations were supplied by the VG and are used for rating in the 2021-22 financial year. The next general land valuation will be issued in 2022.

Council uses land values to equitably levy ordinary land rates by applying a rate in the dollar to an individual property's land valuation. A different rate in the dollar applies to different rating categorisations.

An increase in total land valuations received from the VG does not increase Council's total permissible annual income; it simply redistributes the rate burden between individual properties based on that property's land value change in comparison to others.

More information about land valuations and their use by councils is available from the Property NSW website at [http://www.valuergeneral.nsw.gov.au/council\\_rates](http://www.valuergeneral.nsw.gov.au/council_rates).

### Total Permissible Revenue – Rate Pegging and Special Rate Variation

The rate peg is a percentage determined by the Independent Pricing and Regulatory Tribunal (IPART) each year that limits the maximum general rate income NSW Councils can collect above the rate income it collected in the previous year. The rate pegging limit for 2021-22 determined by IPART is 2.0%

General income comprises income from ordinary land rates and special rates (Council is not levying any special rates at this current time). It does not include income derived from fees or charges for water, sewer, waste management, stormwater, on-site sewage management fees etc.

The rate peg applies to the Total Rates Income, and therefore individual property rates may fluctuate depending upon their rating categorisation, Council's adopted rating structure and their land valuation. Some individual properties may experience an increase or decrease in rates compared to the Rate Peg percentage used to Calculate Councils Total Rates Income.

Councils may apply for an increase above the rate peg limit determined by IPART for a number of years, this is known as a Special Rate Variation under section 508 of the Act. A Special Rate Variation, if approved, overrides the rate pegging limit.

## Council's Rating Structure - Amalgamation

A restraint was placed on merged councils under the amalgamation proclamation which meant Council was restricted from considering rating calculations or recategorising until 30 June 2020. This date was then extended to 30-6-2021. Consequently, the new rate structure will have the same categories but the sub-categories that related to each of the former councils have been restructured as per direction from the NSW Office of Local Government. In 2021-22, Council's overall Rate income is based on last year's rate income plus the mandatory rate peg of 2% set by OLG through IPART and catchup from not taking up the Rate Peg last year due to COVID-19. The rating structure in Table 1, next page, shows Edward River Council rates structure.

During 2020-21, Council undertook a review and harmonisation of the rating structure for implementation in the 2021-22 financial year.

It should be noted ERC was also subject to a General Revaluation of all properties, which occurs every three years. This General Revaluation as issued was effective from 1-7-2020.

### How does a General Revaluation affect Ratepayers?

A General Revaluation will have the following effect on individual ratepayers, for the first year.

Ratepayers will subject to the following, depending on the new Land Valuation as issued by NSW Valuer General's Office (VG):

- an increase in rates obligation;
- no change in their rates obligation;
- a decrease in their rates obligation.

## Rates Harmonisation Project

The rates harmonisation project is a requirement of the NSW State Government for all merged Councils and is to be finalised and implemented by 1st July 2021.

After two years of review, analysis, consultation and fine-tuning, Edward River Council (ERC) endorsed the final rates harmonisation structure, which will come into effect on 01 July 2021.

Council discussed over 10 rating model proposals, taking their preferred option to the public in the form of public and private meetings, direct mail and through the media starting in September 2020. Following feedback from the community, changes to the proposed structure were made and a final model endorsed by ERC that was the most equitable for the majority of ERC ratepayers (93%) on 18th February 2021.

The Rates Harmonisation project will not see an increase in revenue for Edward River Council, apart from any allowable increases under NSW State Government legislation. (The normal annual Rate Peg increases, and any catchup income from previous rate years).

Table 1 – Rating Structure 2021-22

Rating Category	Property Count Analysis	Property Count	Total Revenue Analysis	Total Revenue	Total Land Value Analysis	Total Land Value	Ad Valorem	Minimum Charge Base Amount
<b>BUSINESS</b>								
Business Other	1		\$3,215		\$1,030,000		0.0031215

## How rates are calculated

### General Rates

The calculation used to ascertain the general rates for an individual property is:

$$\frac{\text{Land Value x Ad Valorem}}{100} = \text{General Rate payable}$$

### Base Rates

If a Base Rate is used for a category or sub category. The calculation of the Base Rate is calculated as follows:

$$\frac{\text{Up to 50\% of Total Income for Category/ Sub Category}}{=} = \frac{\text{Base Rate Payable for each Property}}{\text{Divided by Number of Properties in category/ Sub category}}$$

**Note:** Different categories/sub categories will have by default different Base Rates. Base Rates are totally dependent on the Percentage of Total income for that category/sub category depending on the total Income for that category.

Base rates ARE NOT an indication of the amount a property is contributing to Services provided by Council, it is purely an optional method of calculating rates on a property.

### Minimum Rates

The calculation used to ascertain the minimum rate for an individual property is:

$$\frac{\text{Land Value x Ad Valorem}}{100} = \text{Rate payable if above the minimum rate. If the result is less than the minimum, then the minimum rate is payable}$$

## Rate Instalment dates

Section 562 (3)(b) the Act states “If payment is made by quarterly instalments, the instalments are payable by 31 August, 30 November, 28 February and 31 May”, except as provided in subsection 4”. It has been Council’s practice to extend the payment date to the first working day after the due date if the instalment falls due on a weekend.

## Charges

Under sections 496, 496A and 501 of the Act, a Council may levy annual charges for the following services:

- Water
- Sewer
- Domestic Waste Management
- Non-Domestic Waste Management
- Stormwater Management

Under section 502 of the Act, Council may levy charges for actual use for the following services:

- Water Usage
- Sewer Usage
- Liquid Trade Waste

Water, Sewer and Waste Management charges relating to non-rateable properties will be charged in accordance with sections 496, 501, and 502 of the Act. For the purposes of charging these non-rateable properties that actually use these services in accordance with section 503 (2) of the Act, the charges to be applied are the same as those charged against rateable properties as these charges are representative of use.

### **Best practice pricing**

The introduction of best-practice pricing for water, sewer and trade waste services is essential for the effective and sustainable management of Council's water supply and sewerage businesses and the minimisation of customer bills. The purpose of best-practice management is:

- to encourage the effective and efficient delivery of water supply and sewerage services; and

- to promote sustainable water conservation practices and water demand management throughout NSW.

With increasing demands on the limited water resources of NSW, it is vital that these resources are managed in an efficient and sustainable manner.

Best-practice management is essential for efficient and sustainable management of water resources and the environment. It enables Council to achieve sustainable water supply and sewerage businesses and comply with the Australian Government's National Competition Policy (NCP) and National Water Initiative (NWI).

Best-practice water supply pricing requires that the usage charge recover those costs that vary with demand in the long-term (i.e. long-run marginal cost), through a usage charge.

Section 552 (1)(b) of the Act prescribes that Council may levy a special rate or charge on land that is situated within 225 metres of a water pipe of the council whether the land has a frontage or not to the public road (if any) in which the water pipe is laid, and although the land is not actually supplied with water from any water pipe of the council.

Section 552 (3)(a) of the Act prescribes that Council may levy a special rate or charge

relating to the sewerage on all land except land which is more than 75 metres from a sewer of the council and is not connected to the sewer.

This section of the Act has been enacted by Council (via the former Deniliquin Council) and is currently incorporated into the sewer management.

## Water access and usage charges

The water access charge is an annual charge, under section 501 of the Act, levied to customers and is independent of the level of consumption. The annual access charges for water are estimated to yield \$1,429,524 for 2021-22 financial year.

Set out in Table 2, below, are the annual water access and water usages charges for 2021-22.

**Table 2 - Water Access and Usage Charges 2021-22**

Description	Charge		Unit
	2020-21	2021-22	
<b>Residential - Filtered Water</b>			
Access Charge	\$368.00	<b>\$374.00</b>	Per annum
Usage charge 0-800K	\$1.01/ kl	<b>\$1.03/kl</b>	Per kilolitre

Filtered Water Usage Charge	\$1.44/kl	<b>\$1.46/kl</b>	Per kilolitre

### Sewerage access charges

The sewer access charge is an annual charge, under section 501 of the Act, levied to customers and is independent of the level of usage. The annual access charges for sewer are estimated to yield \$3,077,292 for 2021-22 financial year.

Set out in Table 3, below are the annual water access and water usages charges for 2021-22.

**Table 3 – Sewer Access Charges for 2021-22**

Description	Charge		Unit
	2020-21	2021-22	
<b>Sewer Access Charges</b>			
Residential Sewer Unconnected Charge	\$444.00	<b>\$452.00</b>	Per annum
Residential Sewer Connected Charge	\$887.00	<b>\$902.00</b>	Per annum
Non-Residential Unconnected Charge	\$444.00	<b>\$452.00</b>	Per annum
Non-Residential Connected Charge	\$877.00	<b>\$902.00</b>	Per annum
Non-Residential Volume Charge	\$1.52/kl	<b>\$1.56/kl</b>	Based on %

### Stormwater Management Service Charge

Council will levy a stormwater management service charge, under section 496A of the Act, against rateable properties for which the service is available in order to establish and sustain a funding source for improved storm water management. This charge appears as a separate

charge on the rate notice.

The charging methodology used by Council was established under the guidelines released by the Office of Local Government. The guidelines provide Council with the opportunity to levy charges on a catchment area or global basis while ensuring the total income generated does not exceed the level of expenditure for new and

additional stormwater management services. Council has a stormwater capital works program and as a result, a global approach will be used to enable significant works to be funded at a given time using all the revenue levied.

Set out in Table 4, below, are the annual water access and water usages charges for 2021-22.

**Table 4 – Stormwater Management Service Charges for 2021-22**

Description	Charge		Unit
	2020-21	2021-22	
Residential property	\$25.00	<b>\$25.00</b>	Per annum Per Occupancy
Residential strata property	\$12.50	<b>\$12.50</b>	Per annum Per occupancy
Business property	\$25.00	<b>\$25.00</b>	Per annum Per occupancy
Business strata property (apportioned by unit entitlement for business strata lot with a minimum charge of \$5 per unit entitlement per annum)	\$25.00	<b>\$5.00</b>	Per annum Per occupancy

**Note:** Change to Business Stormwater and Business Strata Stormwater charge structure strategy.

Current Business Stormwater (including Business Strata) charging methodology is \$25.00 per property. Stormwater has been identified as not conforming with The Local Government Act 1993 and accompanying regulations related to business stormwater charges. Therefore, the charging methodology for Business Stormwater (including Business Strata) has been adjusted to reflect the Act and its regulation.

Funds derived from the Stormwater Management Service Charge must be spend on transparent works relating to Stormwater and the community must be advised of the proposed works and project as part of the Operational Plan consultation process. For 2021-22 financial year the estimated gross yield is \$75,000. Details of the capital works program can be found in the Capital Works – Other Infrastructure section of the budget as part of this Revenue Policy.

## Domestic Waste Management Charge

Council cannot apply income from ordinary rates towards the cost of providing domestic waste management services. Therefore, Council levies a Domestic Waste Management Charge under section 496 of the Act. The charge applies uniformly to each separate residential occupancy of rateable land (including vacant land) for which the service is available (i.e. properties that are along the route of the waste collection truck).

In determining the annual Domestic Waste Management Charge, Council must include all expenditure that relates to the delivery of this service and

may include provision for the future increases to allow for equalisation of pricing from year to year. This is considered a prudent approach as the waste management subject to changing industry regulation, cost and operational requirements that have a potential for significant variations in the future. The Domestic Waste Management Charge for 2021-22 is to yield \$1,445,368 (estimate).

Set out in Table 5, below, are the annual water access and water usages charges for 2021-22.

**Table 5 – Domestic Waste Management Charges for 2021-22**

Description	Charge		Unit
	2020-21	2021-22	
Residential and Non-residential - Domestic Waste Charge Per Property	\$368.00	<b>\$374.00</b>	Per Annum
Residential and Non-residential - Vacant Land Domestic Waste Charge	\$94.00	<b>\$95.50</b>	Per Annum
Residential and Non-residential - Additional Bin Collected Per Property	\$368.00	<b>\$374.00</b>	Per Annum

## Liquid Trade Waste Charges

Under section 501 of the Act, Council levies Liquid Trade Waste Charges. Liquid Trade Waste means 'all liquid waste other than sewage of a domestic nature'. The purpose of this Liquid Trade Waste Charge is to cover the costs incurred by Council for the administration and management (including inspections) of these systems. Council has an adopted Liquid Trade Waste Policy, which sets out the classifications of liquid trade waste based on the level of impact discharges have on the sewerage system.

**Category 1** discharges are those conducting an activity deemed by Council as requiring nil or only minimal pre-treatment equipment and whose effluent is well defined and of a relatively low risk to the sewerage system. In addition, Category 1 includes dischargers requiring prescribed pre-treatment but with low impact on the sewerage system.

**Category 2** discharges are those conducting an activity deemed by Council as requiring a prescribed type of liquid trade waste pre-treatment equipment, as this effluent is clearly characterised.

**Category 2S** discharger is for those conducting an activity of transporting and/or discharging septic tank or pan content waste into the sewerage system.

**Category 3** dischargers is for those conducting an activity which is of an industrial nature and/or which results in the discharge of large volumes (over 20 kl/d) into the sewerage system.

Note: That any category 1 or 2 discharger whose volume exceeds 20 kilolitres per day becomes a Category 3 discharger, except shopping complexes and institutions (e.g. hospitals, educational facilities, correctional facilities, etc).

Set out in Table 6, below, are the Liquid Trade Waste Fixed Charges for 2021-22.

Table 6 – Liquid Trade Waste Fixed Charges for 2021-22

<b>Application Fees</b>			
<b>Description</b>	<b>Charge</b>		<b>Unit</b>

## Sundry

### Interest on Overdue Rates and Charges

The interest rate payable for the 2021-22 financial year, under section 566 of the Act has been set down by Office of Local Government at the determination of the Minister of Local Government as 6.00 per cent from 1 July 2021 to 30 June 2022.

### Adjustments to Rates and Charges

Property rates and charges will be adjusted following a change in circumstances, for example a subdivision / amalgamation on notification from the VG or a change in rating categorisation, in accordance with sections 527 and 546 of the Act. Relevant adjustments to rates will be made at the start of the following Rate year but service charges will be made pro-rata from the date of notification by the VG through its Supplementary process or following the effective date of the charge including subdivision plan registration date or date an application for categorisation review was made. These adjustments are made in accordance with sections 527 and 546 of the Act.

Retrospective adjustments would usually be made only for the current year, however, Council may decide to make adjustments for a period outside the current year in certain cases at its discretion, depending upon equity and specific circumstances.

Council may choose not to make current year adjustments if the value of the adjustment is less than \$50 if Council considers that the account will be uneconomical to collect.

### Making the rate and charges and setting the interest rate

In accordance with sections 533, 534, 535, 543 and 566, Council must make the rates and charges and set the interest rate annually. Council must also give a short name to each rate and charge made. A separate report is presented to Council in May to adopt the rates, charges and interest to satisfy these legislative requirements.

### Pensioner Concessions

Council provides concessions for eligible pensioners under section 575 of the Act as follows:

- 50% of the combined ordinary land rate and domestic waste management charge up to a \$250 maximum rebate.
- 50% of water fixed and usage charges up to an \$87.50 maximum rebate
- 50% of sewerage fixed charge up to an \$87.50 maximum rebate.

Council funds 45% of the total concession granted with 50% funded by the NSW State Government and the remaining 5% by the Australian Federal Government.

Holders of the cards listed below are eligible for the concession.

- Holders of a Pensioner Concession Card (PCC);
- Holders of a gold card embossed with 'TPI' (Totally Permanently Incapacitated);
- Holders of a gold card embossed with 'EDA' (Extreme Disablement Adjustment);
- War widow or widower or wholly dependent partner entitled to the DVA income support supplement.

## Borrowings

Council determines borrowing requirements in conjunction with the review of its Delivery Program each year.

The borrowing of funds if required, will be in accordance with Part 12 - Loans, sections 621, 622, 623 and 624 of the Act and the 'Borrowing Order' issued by the Minister for Local Government, dated 27th September 1993.

Council has identified that there may be borrowings in the 2021-22 financial year.

## Pricing Policy

Council's pricing policy aims to be equitable by recognising people's ability to pay and balancing expectation that some services will be cross-subsidised for the common good of the community.

### **Council's key pricing strategies are to:**

- develop pricing structure that can be administered simply, inexpensively and be easily understood by members of the public;
- explore all cost-effective opportunities to maximize Council's revenue base;
- balance the dependences on rates and grants against other funding sources; and

- full cost attribution be applied to all business activities considered to be of a commercial nature\*.

\* The following programs are considered to be of a commercial nature – categorised under Competitive Neutrality as Category One Businesses (turnover of greater than \$2m per annum).

Council's pricing principles are:

### **S STATUTORY**

The price for goods / services are a statutory charge set by government legislation.

### **F FULL COST RECOVERY**

The price for goods / services are set to recover the total operating costs, both direct and indirect, of providing this good / service. Indirect costs are to include taxation equivalent payments, where applicable, in accordance with the principles of National Competition Policy.

### **P PARTIAL COST RECOVERY**

The price for goods / services are set to make a significant contribution towards the operating costs, both direct and indirect, of providing the goods / services. The remainder of the costs are met from property rates and general-purpose income.

### **R REFERENCE PRICE**

The price for goods / services are set by reference to prices charged for similar goods / services by like councils or competitors.

Council's schedule of Fees and Charges has been prepared using the best information available in relation to the GST impact on the fees and charges at the time of publication. If a fee that is shown as being subject to GST is subsequently proven not to be subject to GST, then that fee will be amended by reducing the GST to nil. Conversely, if Council is advised that a fee which is shown as being not subject to GST becomes subject to GST then the fee will be increased but only to the extent of the GST.

Works						
Generic Fee Description	Unit	Pricing Policy	GST Inc (Y/N)	20/21 Fee	21/22 Fee	
<b>Plant Hire</b>						
Note: Section 67 of the Local Government Act 1993 empowers councils to undertake works on private land. Council is required to fix an amount or rate for the carrying out of the works after considering the actual costs of performing the work and the current market rates relevant to such works. If the amount for which, or the rate at which, it proposes to carry out the works is less than the amount or rate so fixed, the decision to carry out the works is made by resolution of the council at an open meeting before the work is carried out for						
Loader	Hourly	F	Y	\$163.00	\$165.50
