Notes

1. Unless authorised for a slower travel rate, stock must travel towards their destination at a distance of not less than 10km on each day. Refer to following worked example for a Stock Walking Permit.
 - a. 105 cattle to travel 34 km
 - i. $\$1.20 \times 11$ (per 10 or less head) $\times 4$ (per 10 or less km) = \$52.80 (excluding GST)
 - ii. Total Cost (including GST) = \$52.80 + \$5.28 (GST) = \$58.08
2. Slow Travel Permit prices are in **addition** to the cost of a Stock Walking Permit.
3. Slow Travel Permits will detail the minimum travel rate that stock must travel towards their destination.
4. Fees and prices for Slow Travel Permit days only apply to **additional** days of grazing that are **not** accounted for as part of the Stock Walking Permit. Refer to following worked example for a Slow Travel Permit.
